Mounting on bottom role

1 Take the protective film of the adhesive tape. Place the graphic evenly on the leading paper. Use the line as a guideline.

2 Put adhesive tape on the back of the graphic and on the leading paper, in order to secure the graphic to the leading paper.

3 Hold the graphic and the roll-up body with one hand tight. Take out the pin at the side while you still hold the graphic, to avoid that graphic suddenly roll into the body too fast.

4 Make the graphic scroll slowly into the roll-up body by hand.
